

Five Day Gourmet

February 19-23, 2024

The main course of this tour is adventure with a side of luxury.

The format of this tour is designed to appeal to people who enjoy riding their sled at speeds ranging from 40-60 mph on a trail system that changes frequently.

As if snowmobiling the world's best trail system while observing nature in a most spectacular way is not enough, you will enjoy multiple servings of gourmet meals prepared by French trained chefs in rustic Quebecois chalets.

Pinch yourself because there is even more to the experience. Add to the above, a group of people intent on having the time of their lives.
