

Snow Scooter Safari

January 30 - February 2, 2023

The main course is adventure, with a side of rustic lodging.

The format of this tour is designed to appeal to people who enjoy riding their sled at speeds ranging from 40-55 mph on a trail system that changes frequently.

As if snowmobiling the world's best trail system while observing nature in a most spectacular way is not enough, add some rustic lodging at the off-grid outfitters we have chosen for a truly memorable trip.

But there is even more to the experience. Add to the above, a group of people intent on having the time of their lives. Comedy, laughs and good times are an essential part of the rejuvenation of one's soul, which is the ultimate measurement of a truly spectacular snowmobile experience.
