

Romance Trip

February 14-16, 2024

The main course is adventure, with a side of luxury.

As if snowmobiling the world's best trail system, while observing nature in a most spectacular way is not enough, you will be subjected to regular servings of gourmet meals prepared by French trained chefs in rustic Quebecois chalets.

Pinch yourself because there is even more to the experience. Add to the above, a group of people intent on having the time of their lives. Comedy, laughs and good times are an essential part of the rejuvenation of ones sole, which is the ultimate measurement of a truly spectacular snowmobile trip experience.
