

## Wood Runner Trip

**February 12-15, 2024**

The main course is adventure, with a side of rustic lodging.

As if snowmobiling the world's best trail system, while observing nature in a most spectacular way is not enough, add some rustic lodging in the off-grid outfitters we have chosen for this trip.

But there is even more to the experience. Add to the above, a group of people intent on having the time of their lives. Comedy, laughs and good times are an essential part of the rejuvenation of one's soul, which is the ultimate measurement of a truly spectacular snowmobile trip experience.
